Feedback Analysis Report and Action taken on the curriculum for the academic year 2017-2018

Introduction

The invaluable input from stakeholders plays a pivotal role in enhancing the quality of education and improving the employability prospects of students. Sree Ayyappa College conducted a feedback survey targeting students, alumni, and teachers to gauge their satisfaction levels concerning various aspects of the curriculum, teaching, learning, and evaluation. The valuable insights gathered from this feedback are utilized to make significant improvements to the institution's teaching and learning processes.

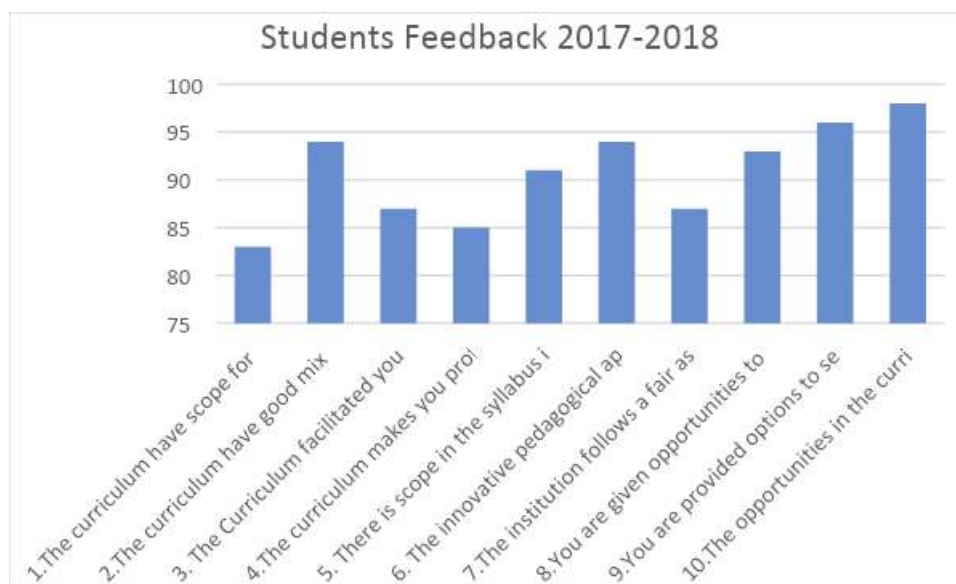

Procedure

To gather the feedback data, the college's feedback committee, under the guidance of IQAC (Internal Quality Assurance Cell), developed feedback forms. The respondents' feedback was then represented using informative bar diagrams.

Actions taken based on the feedback:

The College Level Monitoring Committee (CLMC) thoroughly analyzed the responses from stakeholders in the feedback forms. Subsequently, the summarized report was shared with The Registrar of the University of Kerala to initiate further necessary actions.

Students Feedback Analysis Report

Total of 40 responses students submitted their views on the curriculum. The feedback from our students reflects a highly positive perception of the curriculum and the overall learning experience:

- 83% of students felt that the curriculum provides ample scope for acquiring strong knowledge and intellect in specific domains.
- 94% of students strongly agreed that the curriculum offers a well-balanced mix of theory and laboratory aspects, enriching their learning experience.
- 87% of students agreed that the Curriculum effectively facilitates the development of analytical and problem-solving skills.
- 85% of students strongly agreed that the curriculum helps them become proficient in understanding and applying the learning outcomes.
- 91% of students strongly agreed that there are opportunities in the syllabus to enhance entrepreneurship skills, foster lifelong learning, and instill human values and ethics.
- 94% of students strongly agreed that the innovative pedagogical approach practiced by the faculty promotes participative and experiential learning.
- 87% of students agreed that the institution follows a fair assessment and evaluation process for student grading.
- 93% of students agreed that they have been given opportunities to demonstrate innovative skills, leadership abilities, and communication skills during their studies.
- 96% of students agreed that they are provided with options to select elective courses, CBCS, Values Added Courses, Certification courses, etc., based on their interests and requirements.
- 98% of students strongly agreed that the curriculum offers ample opportunities to excel in co-curricular and extracurricular activities.

We are delighted to receive such positive feedback and remain committed to continuously enhancing our curriculum and providing a holistic learning environment for our students.
