Feedback Analysis Report and Action taken on the curriculum for the academic year 2019-2020

Sree Ayyappa College recognized the significance of stakeholder feedback and conducted feedback analysis to gather insights from students, alumni, and teachers regarding the curriculum, teaching methods, learning experiences, and evaluation processes. This feedback serves as a vital tool in enhancing the overall quality of the institution's teaching and learning practices.

Procedure:

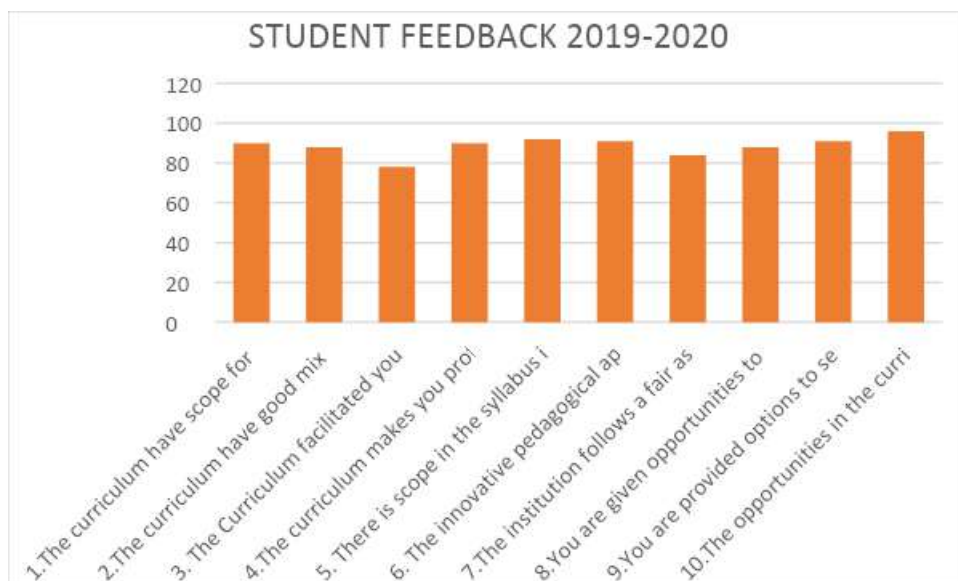

To collect this valuable feedback, the college IQAC (Internal Quality Assurance Cell), designed and distributed feedback forms. The responses received from the stakeholders were thoughtfully organized and presented in the form of bar diagrams for clear interpretation and analysis.

Actions Taken:

- The College Level Monitoring Committee (CLMC) took prompt action in reviewing the stakeholders' responses obtained from the feedback forms. Based on a comprehensive analysis, a summarized report of the feedback findings was shared with The Registrar of the University of Kerala, signifying the college's commitment to continuous improvement.
- Recognizing the challenges posed by the Covid-19 pandemic, the institution proactively addressed the issue of internet connectivity problems faced by many students during online classes. To ensure effective learning, the college took measures such as distributing study materials through Google Classroom and providing recorded class sessions.

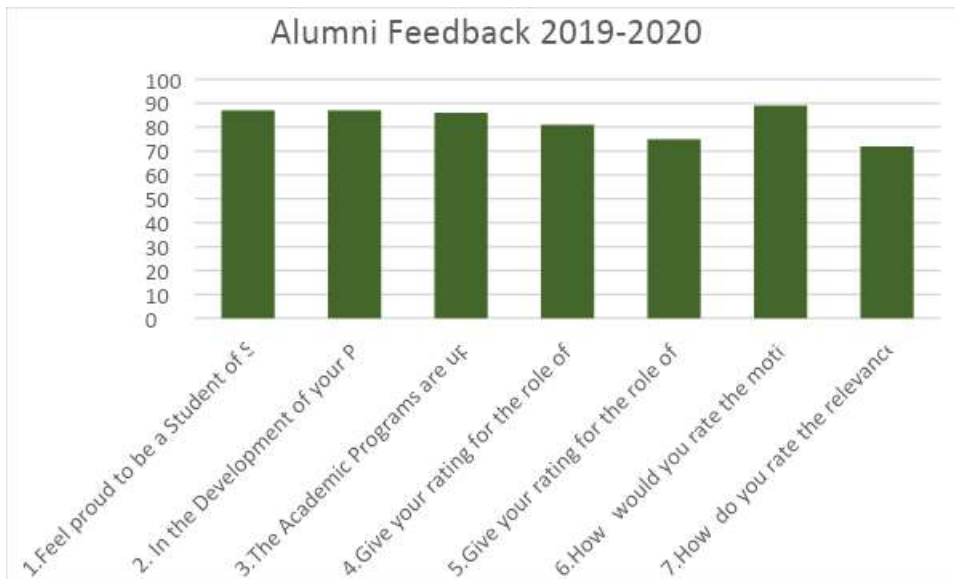

By embracing stakeholder feedback and taking proactive measures to overcome challenges, Sree Ayyappa College reaffirms its dedication to providing an enriching and supportive learning environment for all its students, even during unprecedented circumstances.
