National Seminar on Recent Trends in Biomedical Science and Informatics

Sree Ayyappa College, Eramallikkara, organized a two-day National Seminar on ***Recent Trends in Biomedical Science and Informatics***, known as INFOFEST 2018, in association with Kerala State Council for Science, Technology, and Environment (KSCSTE), Thiruvananthapuram, and the Institution of Electronics and Telecommunication Engineers (ETE), Cochin center. The seminar aimed to explore interdisciplinary topics and enlighten young minds about recent trends in biomedical science and informatics for the benefit of society.

The event was inaugurated by Dr. P. Pradeep, a Professor from the Laboratory for Molecular Electronics and Photonics (LAMP), Department of Physics, National Institute of Technology (NIT), Calicut. In his speech, he emphasized the importance of conducting such seminars in rural areas to foster curiosity and knowledge among the youth. Dr. S. Sankararaman, Head of Nanoscience and Nanotechnology at the University of Kerala, delivered the keynote address, discussing the relevance of biomedicine in the current era. Prof. Suresh S, a member of the Academic Council at the University of Kerala, felicitated the function. The function was presided over by Dr. K. S Anil Kumar, the Principal of Sree Ayyappa College, Eramallikkara. Prof. Usha Kumary KL, the Head of the Department of Electronics, welcomed the gathering, and Dr. Nitha B, the Head of the Department of Biochemistry and Industrial Microbiology, delivered the vote of thanks.

The seminar witnessed participation from 157 individuals, including undergraduate and postgraduate students, research scholars, and faculty members from various institutions within and outside the state. Attendees represented Applied Science Colleges, Arts and Science

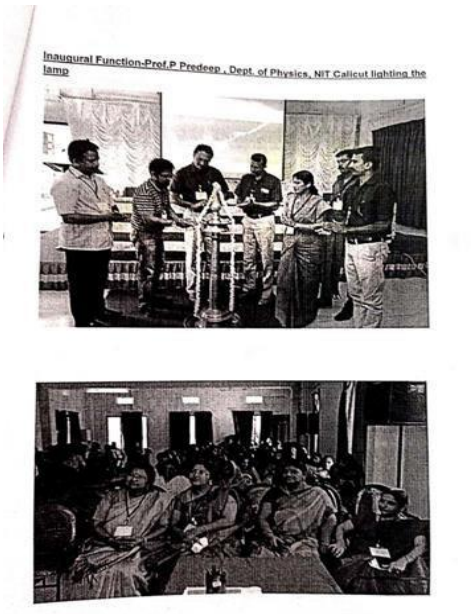

Colleges, Engineering Colleges, University Departments, and Research & Development organizations.

Over the two days, there were academic and technical sessions with prominent speakers. On the first day, talks were given by Dr P Predeep, Dr. G Immanuel, Dr Manuel Thomas, Dr G P Sudheer, and Dr. Sheeba. They engaged in discussions on various aspects related to the theme of the seminar.

During the valedictory session of the seminar, Dr. K. S Anil Kumar, the Principal of Sree Ayyappa College, Eramallikkara, presided over the event. The chief guest for the occasion was Dr. M. V Rajesh, the Honorary Secretary of IETE, Cochin Centre.

News regarding Info-Fest

INFOFEST February 15 &16, 2019

Two Day National Conference on Energy and Environment

The National Conference on Energy and Environment (NCEE 2019) held at Sree Ayyappa College, Eramallikkara, brought together scientists, technologists, social scientists, and policy communities to discuss the environmental impacts of energy acquisition, transport, production, and usage. The conference covered energy conservation, technological advancements, and the interaction of energy systems with the environment. It was funded by the Department of Environment and Climate Change, Government of Kerala, and received technical assistance from the Institution of Electronics and Telecommunication Engineers (IETE), Kochi chapter.

The conference was inaugurated by Prof. (Dr.) Sabu Thomas, Hon. Vice Chancellor of Mahatma Gandhi University, and chaired by Dr. K.S Anilkumar, the Principal of Sree Ayyappa College. Notable speakers included Dr. C.O Sreekala from Amrita University, Prof. (Dr.) K.J Vinoy from IISc Bangalore, and Dr. G. Nagendra Prabhu from SD College, Alappuzha, who discussed various topics related to solar energy, RF power harvesting, and alternate livelihood programs.

Oral and poster presentations by delegates covered diverse energy and environment subjects. A science exhibition called "The Energerium" ran concurrently, attracting school and college students. The valedictory session, presided over by Dr. K.S Anilkumar, featured Dr. Lekshmi Bhaskaran as the keynote speaker. Best paper awards were presented, and the science exhibition's top stalls were recognized.

The conference received acclaim from the academic community and media. Approximately 170 participants attended, and 585 spectators visited the science exhibition. The conference proceedings will be jointly published as an edited book with an ISBN number.

NCEE 2019 provided a platform for extensive discussions on energy and environmental challenges, fostering collaboration and knowledge-sharing among diverse stakeholders.

INFOFEST September 11 & 12, 2020

National Conference on Energy and Environment

INFOFEST, an annual interdisciplinary symposium organized by Sree Ayyappa College, Chengannur, cantered around the theme of Energy, Environment, and Health. The event commenced with a prayer offered by the students, setting a positive tone for the proceedings. Dr. Suresh S, the IQAC Convener, extended a warm welcome to all attendees in his opening speech. Dr. Prakash K. C., the Principal of the college, delivered the Presidential address, emphasizing the significance of holding interdisciplinary conferences to address complex challenges.

The symposium featured nine invited talks from experts around the globe, conducted virtually through the Google Meet platform. These talks covered a wide array of topics related to energy, environment, and health, enriching the knowledge and perspectives of the participants.

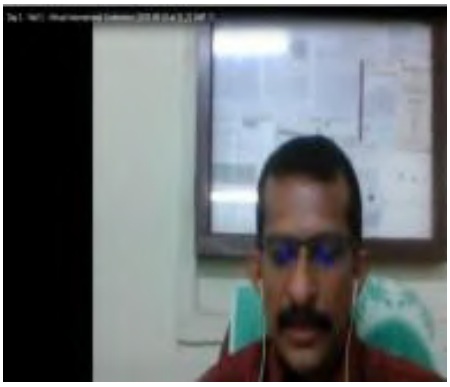

A total of 78 research papers were received for the conference, showcasing the interest and engagement of the academic community in these critical areas. Out of these, 59 papers were presented as oral presentations by delegates, encouraging insightful discussions and exchange of ideas.

The symposium concluded with a valedictory session, where the three best presentations were recognized for their exceptional contributions to the theme of Energy, Environment, and Health. These outstanding works highlighted innovative solutions and research findings aimed at addressing the challenges in these fields.

Overall, INFOFEST was a resounding success, attracting 147 participants and fostering a collaborative and knowledge-sharing environment. The symposium served as a platform for scholars, researchers, and experts to collectively explore solutions and advancements in the areas of Energy, Environment, and Health, contributing to the betterment of society and the world.

INFOFEST 2021 December 15-31, 2021

National Conference on Energy and Environment

The International Interdisciplinary Symposium organised by SreeAyyappa College (TDB), Eramallikkara, in association with the Institution of Electronics and Telecommunication Engineers (IETE), and the Internal Quality Assurance Cell (IQAC), on various themes each year was conducted from 15th Dec, 2021 to 31st Dec, 2021 through the online mode.

Now, in its 11th year, the theme for 2021 was Energy, Environment, Health and Visual Communication, based on the subthemes – physical science, chemical science, biological, environmental and life science, electronics and computer science, commerce and financial management, and English and media studies.

Inauguration and Invited Talks

The inaugural function on 15th Dec 2021 was by Dr VP Mahadevan Pillai, Hon VC, University of Kerala, while the Principal, Prof (Dr) KC Prakash gave the presidential address. Dr. M V Rajesh, Associate Professor, Dept. of Electronics Engineering, College of

Engineering, Chengannur & IETE Fellow, Vice Chairman, Kochi, Kerala gave the keynote address, the conference convener, Er Deepu G P delivered the vote of thanks.

The invited lectures were from 16th to 23rd December, 2021, mostly in the evenings via online mode. The abstracts of the invited talks as well as the presentations were published by Greenzie Publishers, Trivandrum with ISBN Number, 978-81-955890-1-2, 2021, 11th Edition, IDES Press.

MESSAGE

I am happy to know that Sree Ayyappa College, Eramallikkara is organising a week long Interdisciplinary International Symposium on Energy, Environment, Health and Visual Communication (INFOFEST 2021) in association with the Institution of Electronics and Telecommunication Engineers (IETE) and Internal Quality Assurance Cell (IQAC).

I am sure that this International Symposium will serve as a platform for bringing together academicians, researchers, policy makers and research institutes for exploring the opportunities to improve the knowledge to the younger generation and the student fraternity.

I take this opportunity to record my heartfelt appreciation to all the delegates spread across the globe for their enthusiasm. Hearty congratulations to the Organizers of INFOFEST 2021 for their sincere efforts in arranging one with a variety of topics.

I wish the Symposium a grand success.

Prof. V.P. MAHADEVAN PILLAI

MESSAGE

I am extremely happy to know that Sree Ayyappa College (TDB), Eramallikkara is going ahead in full steam and is once again continuing in its mission to be an instrument for rural youth to attain holistic development making use of ICT based education accessible to educationally underprivileged areas thereby attempting to bridge the digital divide by conducting a week long International Symposium on a large variety of current topics based on the theme Energy, Environment, Health and Visual Communication (INFOFEST 2021), in association with the Institution of Electronics and Telecommunication Engineers (IETE), and the Internal Quality Assurance Cell (IQAC).

Having begun my teaching career from this college as Lecturer in Computer Science, I find myself privileged to pen my heartfelt wishes and appreciation for arranging such a grand educational extravaganza in the virtual mode, due to the present Covid 19pandemic, which has opened a new sphere for data mining using latest ICT technologies in this age of inter-disciplinary studies and research.

I am sure that this event will be an ideal platform bringing together academicians, scientists, researchers, personnel from the industry and students of both UG and PG streams for information sharing and dissemination.

My sincere thanks to the resource persons and participants spread across the globe, and the organisers, my dear friends, for bringing this annual seminar to its current stature of a weeklong international event, on a vast variety of topics from the arts, sciences, engineering, biotechnology and health to visual communication, on numerous sub-themes.

I wish the 11th International Symposium on Energy, Environment, Health and Visual Communication, (INFOFEST 2021) a grand success.
