Workshop Report: Mastering the Linux Shell

- **Date: November 21, 2023**
- **Time: 9:30 a.m. - 3:30 p.m.**
- **Resource Person: Dr. Jestin Joy**
- **Venue: Sri Ayyappa College, ERAMALLIKKARA**
- **Organized by: FOSS CELL**

Introduction:

The workshop titled "Mastering the Linux Shell" held on November 21, 2023, at Sri Ayyappa College, ERAMALLIKKARA, was an engaging and informative session aimed at enhancing participants' scripting abilities using Linux.The workshop aimed to provide participants with a comprehensive understanding of Linux shells and equip them with practical scripting skills.

Objectives:

1. To provide practical insights into Linux Shell scripting techniques.
2. To equip participants with hands-on experience in scripting excellence.
3. To foster a deeper understanding of Linux Shell commands and operations.

Resource Person:

Dr. Jestin Joy, an esteemed Assistant Professor from the Department of Computer Applications at St. George's College, Aruvithura, facilitated the workshop. Dr. Joy's extensive knowledge and experience in Linux Shell scripting ensured a comprehensive and enriching learning experience.

Participants:

The workshop attracted 38 enthusiastic students from various academic backgrounds:
5th and 3rd-year undergraduate students
1st and 2nd-year postgraduate students

Agenda:

Welcome Speech:

- The workshop commenced with a warm welcome by Akash G Anil, setting an encouraging tone for the day.

Inaugural Address:

- Dr. Prof Suresh S, Principal, Sree Ayyappa College, Eramallikkara, delivered an inaugural address, emphasizing the importance of Linux shell scripting in the evolving landscape of computer science.

Felicitation:

- Prof Jisha Nair, HoD, Department of Computer Science, Sree Ayyappa College, Eramallikkara, extended felicitations, acknowledging the significance of practical skills in scripting for computer science students.

Workshop Sessions:

- Dr. Jestin Joy led the workshop sessions, covering the following topics:
  - Introduction to Linux Shell and Shell Scripting
  - Types of Shells in Linux
  - Steps in Creating a Shell Script
  - Writing and Running Shell Scripts
  - Shell Variables and Printing
  - Managing Shell Variables
  - Script Permissions and Naming
  - Scripting Guidelines, Comments, Constants, and Operators
  - Conditional Statements and Looping Statements
  - Using Arrays, Shell Functions, and Files
  - Shell Built-in Functions

Vote of Thanks:

- Sandra Krishna delivered a heartfelt vote of thanks, expressing gratitude to the resource person, the principal, HoD, and all participants for their active involvement.

Workshop Overview:

The workshop commenced at 9:30 a.m. and continued until 3:30 p.m. Dr. Jestin Joy led the session, focusing on practical applications of Linux Shell scripting. The workshop's structure included:

- Introduction to fundamental Linux Shell concepts
- Hands-on exercises exploring scripting techniques
- Interactive sessions to clarify doubts and reinforce learning
- Demonstration of advanced scripting practices

Session Highlights:

Dr. Joy's teaching methodology emphasized clarity and precision. The class was conducted with exceptional attention to detail, ensuring a thorough understanding of Linux Shell scripting within the

allocated time frame. Participants were actively engaged, showcasing their interest and commitment throughout the session.

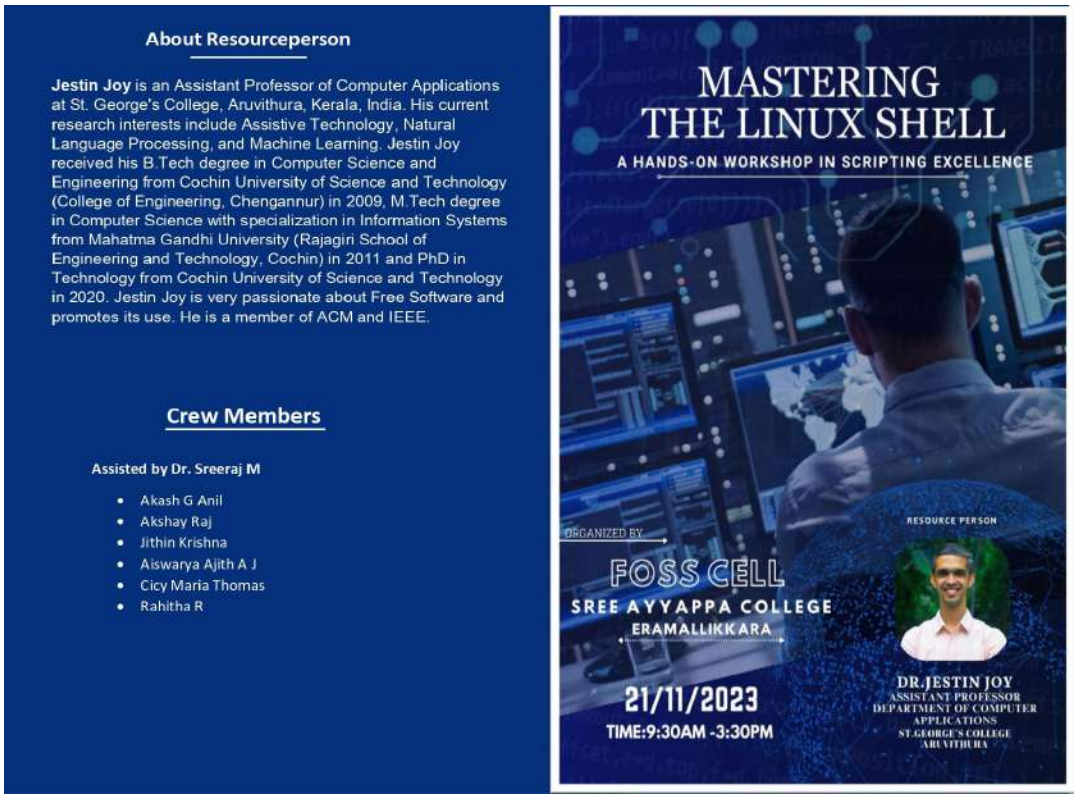

Outcomes and Impact:

The workshop yielded significant outcomes, including:
- Participants gaining a comprehensive understanding of Linux Shell scripting principles.
- Enhanced scripting proficiency among attendees from both undergraduate and postgraduate levels.
- Positive feedback from participants on the workshop's relevance and applicability to real-world scenarios.

Conclusion:

The "Mastering the Linux Shell" workshop organized by FOSS CELL under the guidance of Dr. Jestin Joy proved to be a resounding success. The interactive and hands-on approach adopted by Dr. Joy effectively imparted valuable skills, leaving a lasting impact on the participants' scripting capabilities.

BROCHURE

About college

Sree Ayyappa College, owned and managed by The Travancore Devaswom Board, started functioning in 1995 under colleges included under Section 2(f)/12(B) of UGC Act 1956, as the fulfilment of a long cherished dream of the rustic populace of the serene and beautiful hamlet of Eramallikkara, situated at the confluence of the twin-rivers, holy Pampa and Manimala.

About Computer science

The department of Computer Science has been in existence since the inception of Sree Ayyappa College, Eramlikkara in the year 1995. The Department ever since its birth in 1995, has acquired great heights in providing the students with expertise and ability to compete with this IT revolutionized world.

About The Event

Mastering the Linux Shell: A Hands-On Workshop in Scripting Excellence" is scheduled for November 17, 2023, from 9:30 AM to 3:30 PM. Main aim of the workshop is to introduce Linux Shell programming.

Schedule

Session-1(10-12:30 pm)

Inaugural Function

Introduction to Linux Shell and Shell Scripting

Types of shells in Linux

Steps in creating a shell script, write and run shell scripts

Shell variables and printing

Deleting shell variables

Lunch Break(12:30-1:15pm)

Session-2(1:15-3:15 pm)

Script permissions and names

scripting guidelines

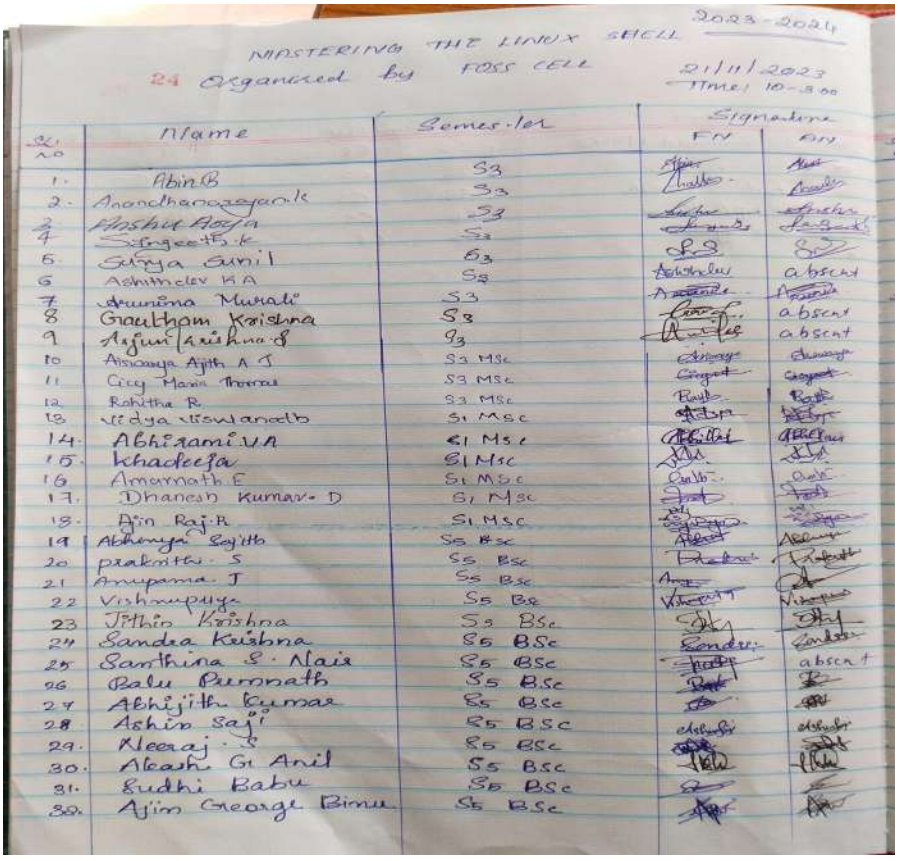

Adding shell comments

Shell variables, constants, operators, conditional statements, looping statements, using arrays

Shell functions, files, shell built-in functions

End Of Session

Report on "Ubuntu Unleashed: Your Guide to Installation”

10/11/2023

Program Title: Ubuntu Unleashed: Your Guide to Installation

Resource Person: Dr. Sreeraj M, Assistant Professor, CS Department, Sree Ayyappa College, Eramllikkara

Organized by: FOSS CELL

Date: 10/11/2023

Time: 10:00 AM to 3:00 PM

Venue: Sree Ayyappa College, Eramallikkara

Introduction:

The Ubuntu Unleashed program titled "**Ubuntu Unleashed: Your Guide to Installation** " took place on 10th November 2023 at Sree Ayyapa College, Eramallikkara. Dr. Sreeraj M, an esteemed Assistant Professor from the Computer Science Department, led the program. The initiative was organized as an installation fest for second year and final-year students as part of the fifth semester syllabus..

Objectives:

The primary objective of the program was to provide comprehensive guidance on the installation of Ubuntu, a widely-used open-source operating system. The hands-on session aimed to equip participating students with the necessary skills to install and configure Ubuntu on their systems.

Event Details:

Time: The program commenced at 10:00 AM and concluded at 3:00 PM.

Participants: A total of 38 students actively participated in the installation fest.

Resource Person: Dr. Sreeraj M, with his expertise in the CS department, effectively delivered the installation guidelines and answered queries from the participants.

Agenda:

- Introduction to Ubuntu and its significance in the computing world.
- Step-by-step installation guide, emphasizing key considerations.
- Hands-on session for participants to install Ubuntu on their laptops/desktops.
- Troubleshooting common installation issues.
- Overview of Ubuntu features and customization options.

Program Highlights:

Dr. Sreeraj M's engaging presentation and interactive teaching style kept the participants actively involved throughout the session.

The hands-on installation session allowed students to apply theoretical knowledge, fostering a practical understanding of the installation process.

Participants had the opportunity to interact directly with Dr. Sreeraj M, addressing doubts and gaining valuable insights.

Feedback:

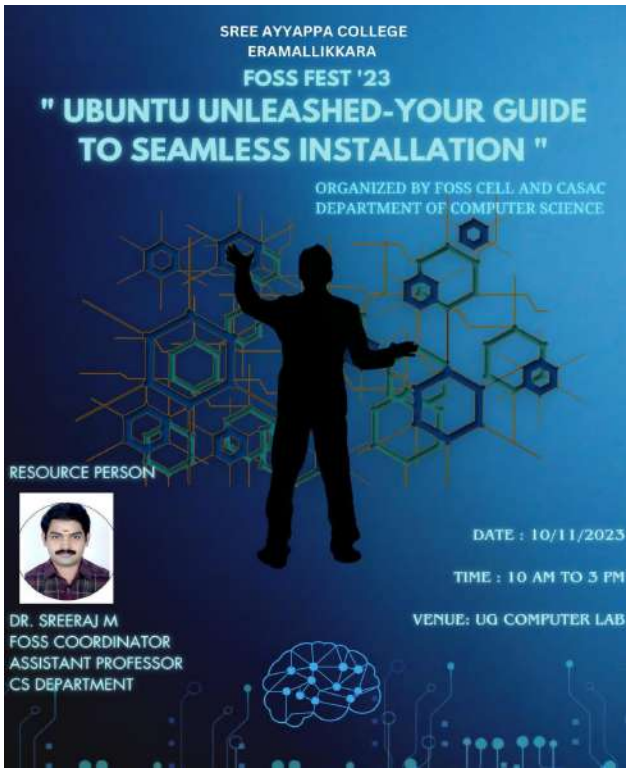

The program received positive feedback from both students and faculty members. Participants expressed satisfaction with the clarity of instructions provided by Dr. Sreeraj M and found the hands-on experience beneficial.

Conclusion:

The "Ubuntu Unleashed: Your Guide to Installation" program was a successful and informative initiative, aligning with the academic goals of the S5 syllabus. The event not only enhanced the technical skills of the participating students but also contributed to a collaborative learning environment at Sree Ayyapa College.

We extend our gratitude to Dr. Sreeraj M for his valuable contribution, and we look forward to organizing more such educational initiatives in the future.
