Dear Sir,

Subject: Industry - Institute Collaboration between Sree Ayyappa College, Eramallikkara and ICFOSS reg.

I am writing to express my appreciation for the valuable relationship that has developed between our organization and your esteemed institute. It has been an exciting and fruitful journey, and we look forward to continuing this collaboration for many years to come.

The collaboration between our organization and your institute has brought immense benefits to both parties. Through this relationship, your students had the opportunity to gain practical experience, knowledge, and skills from your experts in the field. This has significantly enhanced their understanding of industry trends, best practices, and the challenges that organizations face in the real world. Similarly, our organization has also benefitted from this collaboration by gaining access to fresh talent, innovative ideas, and the latest research findings in the relevant fields. We are proud of the many achievements that we have accomplished together, including internships, workshops, and training programs. We believe that our collaboration has played a significant role in the success of both our organizations.

As we move forward, we look forward to exploring new opportunities for collaboration, including joint ventures, researches, and other programs that will further strengthen our relationship. We are confident that together we can continue to make significant contributions to our respective fields and to society as a whole.

Thank you for your continued support and for being such a valuable partner to our organization.

Yours faithfully,

**Dr. Rajeev R R,
Program Head**
