2. "IMPORTANCE OF PROFESSIONAL COURSES IN LIGHT OF ECONOMIC CHANGES DUE TO COVID 19"

The Department of Commerce with Computer Application-COMMERCE ASSOCIATION conducted a Webinar for all students on 12 th November, 2020, 8 PM, titled - '**Importance of Professional courses in light of economic changes due to Covid 19**'. Parents also attended the program .Out of total 152 students 149 attended the programme. CA Revathy Raja delivered the lecture in association with Logic School of Management. Dr.Rejiya CS, HOD of Commerce Department chaired the session and delivered welcome address, Gowri V Nair, Assistant Professor introduced the resource person CA Revathy Raja.

The session was very informative and interactive. Resource person CA Revathy Raja delivered the speech. Students were asked to post their answers in the chat box and the session went as two way communication. Guest pointed out that commerce students should create confidence in exploring the professionalism by pursuing through such professional courses like CA, CMA, ACCA, CS etc. Workers across industries must figure out how they can adapt to rapidly changing conditions, and companies have to learn how to match those workers to new roles and activities. It's about how leaders can reskill and upskill the workforce to deliver new business models in the post-pandemic era. To meet this challenge, companies should craft a talent strategy that develops employees' critical digital and cognitive capabilities, their social and emotional skills, and their adaptability and resilience. Now is the time for companies to double down on their learning budgets and commit to reskilling. Developing this muscle will also strengthen companies for future disruptions.

The session was very interactive, students also participated enthusiastically and clarified their doubts relevant to topic. The vote of thanks was delivered by Mr. PraveenRaj, Assistant Professor of Commerce .

3. WEBINAR ON "PROFESSIONAL CAREER IN COMMERCE"

The Commerce Association, Department of Commerce, in association with Logic School of Management conducted a webinar on -PROFESSIONAL CAREER IN COMMERCE ON 23 rd September 2020 via Google meet .The session was handled by Mr. Jomy Thomas, Senior Career Consultant Logic school of management with fruitful speech covering the matter of professionalism in Career. The programme was conducted especially for final year students with total participation of 60 including faculties.

Dr.Rejiya CS, HOD of Commerce Department chaired the session and delivered welcome address, Mr. Praveen Raj, Assistant Professor introduced the resource person Mr. Jomy Thomas.

The resource person, explained that the mere completion of B Com degree even with a great score would not ensure success in accounting career. He explained that the market is shifting very rapidly and in every 5 years thousands of new jobs arise in the field of commerce. But if people don't know what to do after degree, they will be left behind. He also added that securing a good record in studies and an updated knowledge in the field will help the students get posted in various organizations as accountants. For that, one must have knowledge in areas like basic principles of accountancy, cost accounting and management accounting. Mr. Jomy also enlightened the students regarding various career prospects in the field like, Auditing, Banking and finance, Funds Management, Management consulting, Stock Broking, etc. Commerce is a branch of business. It includes all activities that are involved in the exchange of goods and services considered to the money. It is the only backbone forming the market and the economy of the company & ultimately the nation. The major areas of career opportunities in commerce includes-

Economics, Actuarial Science, Management, Commerce, Chartered Accountancy, Company Secretary, Finance, Cost and Management Accounting, Stockbroking, Entrepreneurship.
