Resource Mobilisation Policy

The main objective of the policy document is to identify the resources available for the various programs for efficient management of funds and to widen the resource base for the attainment of the set goals. The document outlines the procedures for efficient utilization of generated funds.

- The college receives funds mainly from UGC, KSCSTE, State NSS cell, State/Central Govt. funding agencies, PTA, Alumni, Management(TDB),etc.
- The concerned committees of the college have the responsibility for assessing, planning, implementing, and supervising the fundraising activities of the college
- Personal Deposit fund:The amount received on annual basis will be discussed in college council and the fund will be allotted to various departments for developmental activities,academic resources such as books and journals, and infrastructure development which include purchasing of equipment for labs, audio-visual and for networking, etc.
- The funds received from the state government will be used for the activities of students union, various clubs of the college,College Magazine, etc
- The Management/ PTA/ Alumni funds and other contributions are utilized to meet the developmental needs of the college and for giving various scholarships.
- PTA fund will be used for various student welfare projects, academic and co-curricular and extracurricular activities.
- Faculties will mobilize funds for providing scholarshipsto academically meritorious but economically weaker students.
- Endowments awards will be given to the students who satisfy the required criteria on an annual basis.
- Transparency and accountability are ensured by conducting an annual audit of the statements as per Government rules.
