Instructions to fill the questionnaire

Criterion II – Teaching–Learning and Evaluation Student Satisfaction Survey on Teaching Learning Process

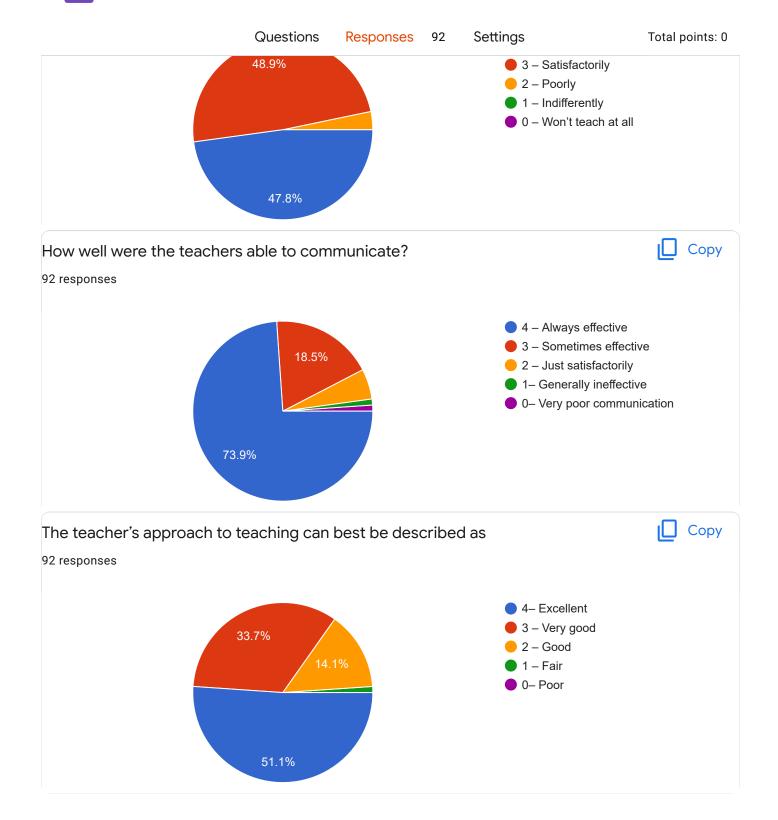

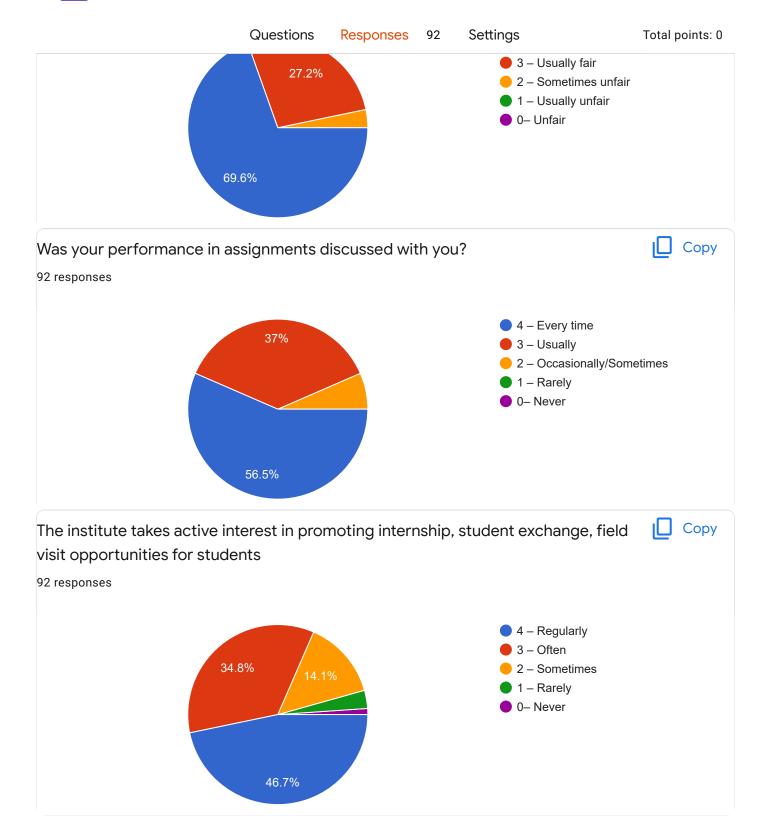

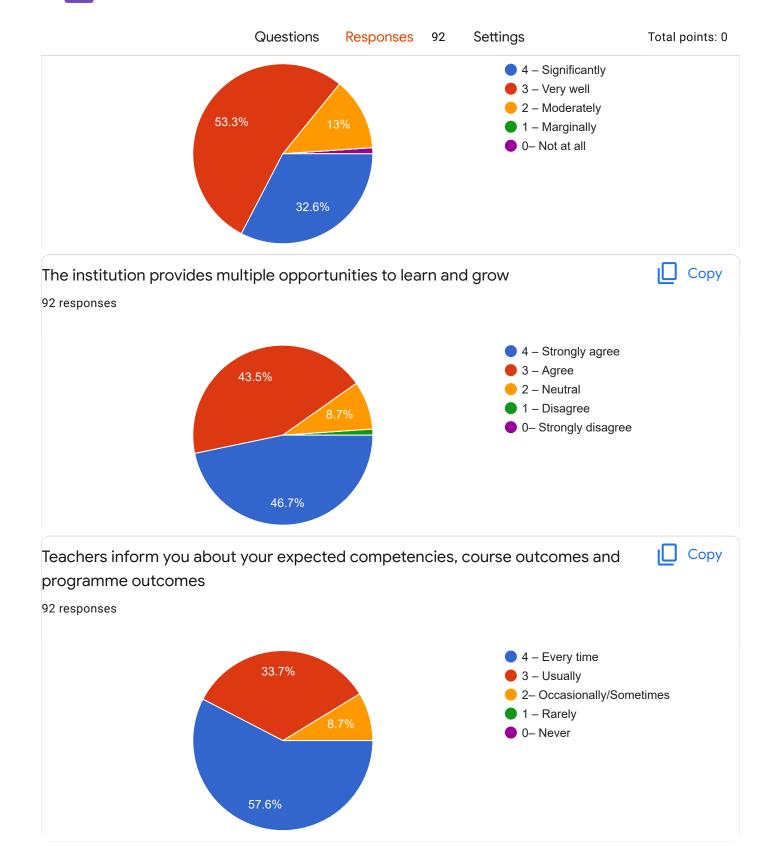

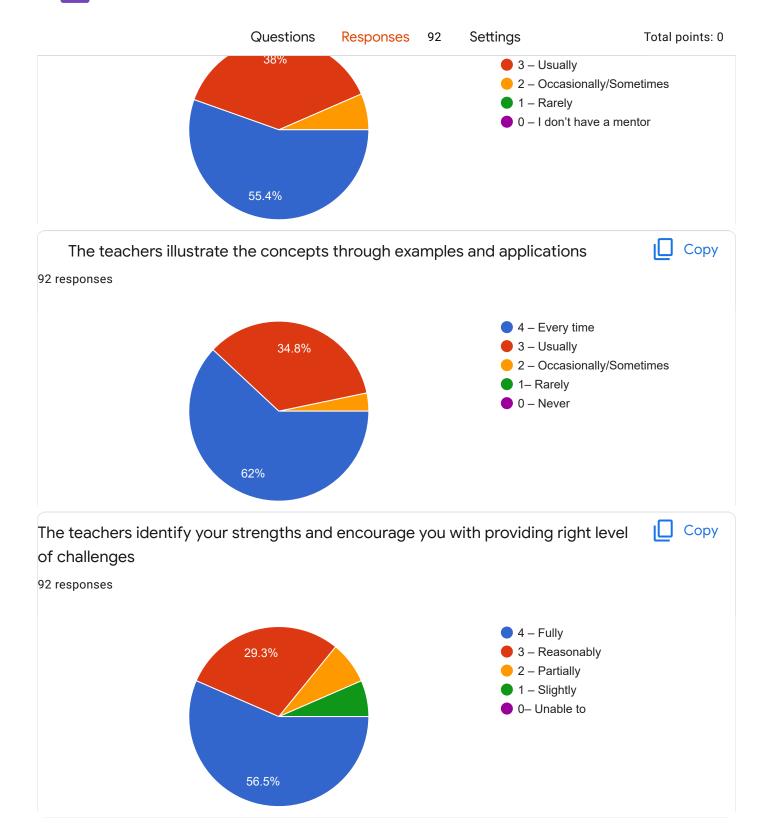

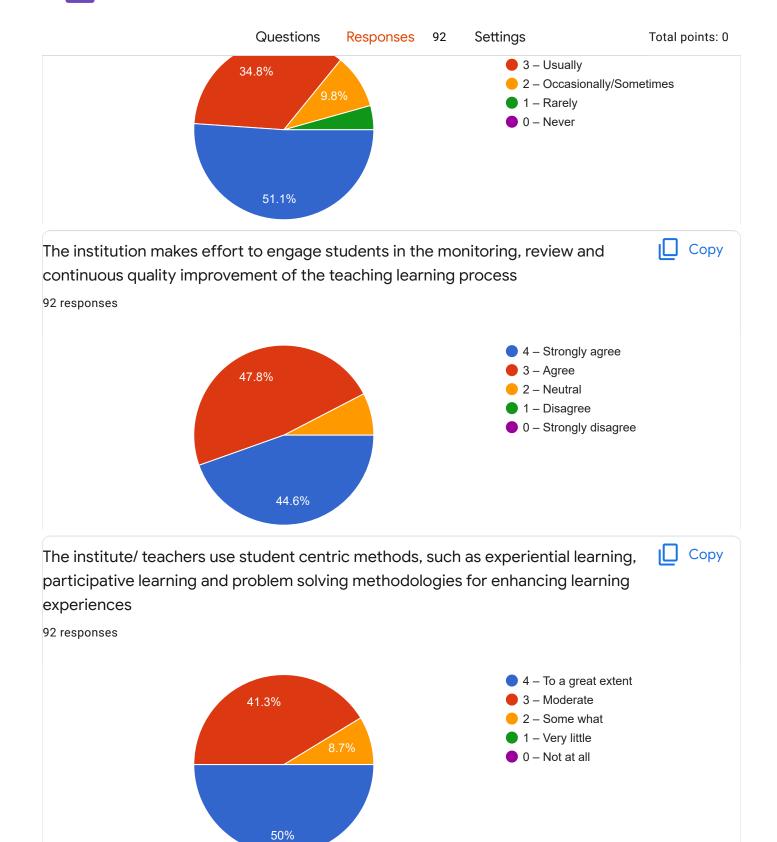

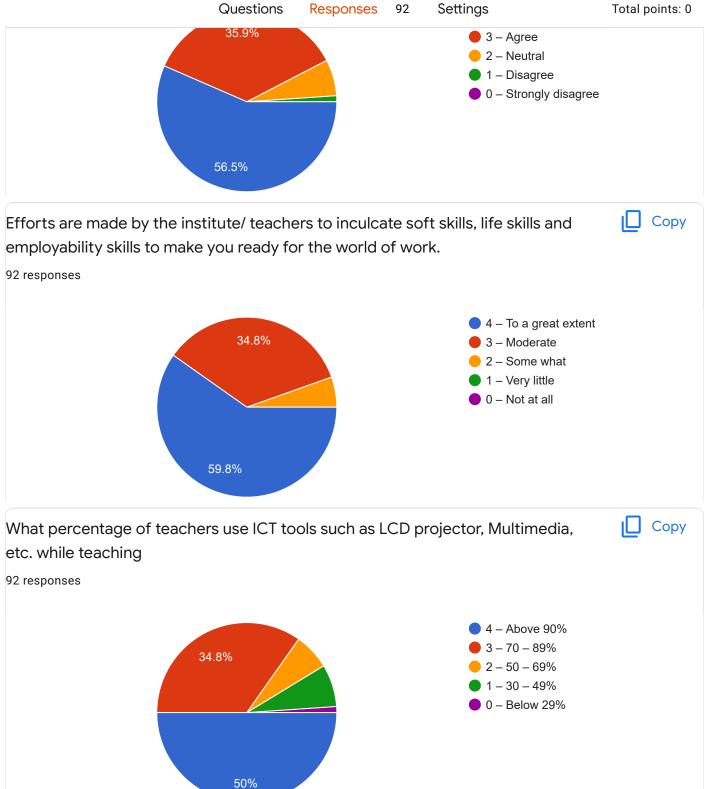

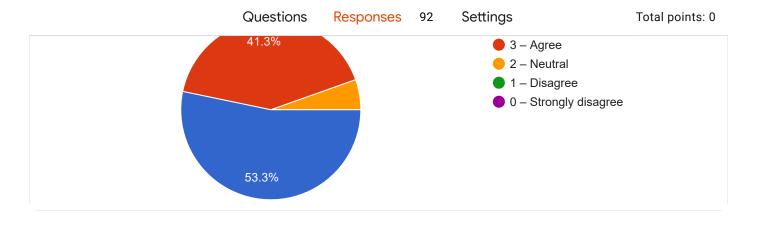

Ok

Questions 92 Total points: 0 Responses Settings No suggestions Nothing Good **Nothing** Overall good No Nothing..... More emphasis to be given to extra curricular activities like speech, debate etc.. Teaching learning process is very well Use of outside materials will be good to imptove study I am really satisfied the teachers teaching and I dont have any suggestions Prepare more effective described notes. Involve deeply in middle of students Close more friendly Support without any limits Give less work pressure Introduce new technology in the classroom. Knowledge about new technology. Improving opportunity, Shows Video like examples are more better for some subjects

Nothing. Just want to offline class

I'm completely satisfied with the overall teaching of this institution. So I don't have any suggestions to share with.

Try to avoid over load works Reduce pressure for students Avoid unnecessary problem

Teacher should be the frienda of students

Everthing is supported

Identify the weakness and help the children overcome. Be supportive & friendly.

Identify the weaknesses and help to overcome and be supportive and friendly

No suggestions and i am satisfied

Satisfied

Teachers shall interact with students without any partiality.

- Be supportive
- Cooperative
- •Find the weakness of students and help them to overcome

Offline teaching is more better than online. So there are some difficulties for teachers as well as students while teaching and studying through online. But our teachers trying there level best to us to teach well, to easily understand for our studies.

Please maintain the speed of teaching..

I'm successfully able to follow up to the coursea that the teachers provide

My teachers are teaching very well.

Very good

Total points: 0

Overall teaching is good Ntng Classes are going well. 1)increase study materials Overcome the weakness of each ones by giving proper guidance.. * college does not have a stadium of its own.building such a sports stadium can improve and help budding athletes. * campus hiring *promote more intership facilities to high end institutions Online classes well going good The way certain teachers take class can be improved in every means. Teaching well no complaints It was very good All teachears give valuable information about all of them Most of the things are going good in our college Teaching faculty and other facilities are good. lam really happy to study under the control of good teachers. To know weak points of students, Give specifications about exam methodologys, Chat frequently with students Experience is very good institution Be cooperative no suggestions nil

I don't have any suggestions. Because now I think evening thing is perfect for me . I can understand everything . Teachers are very friendly . They giving mental support and encouragement to improving my every good activities .

Is a good class, sometimes the class is not clear because the net is not available

It's perfect. Have no suggestions.

- *Encourage active and practical learning.
- * Provide for meaningful teacher- Student interaction .
- * Make course expectations clear and based on learning out comes.

It's perfect. No suggestions.

It's is perfect. no suggestions

It's all good in experience, so no suggestions

They all are perfect. No suggestions at all

Good teaching
