INTRODUCTION

Photography can be a powerful tool for self-expression. Today, it has reached the hands of almost everyone. Thanks to the hi-tech digital single-lens reflex cameras, point-and-shoot cameras, and mobile phones that have flooded the market. Photography today has changed the lifestyles of the young generation, and they use it as a powerful tool of self-expression. But to explore the wider possibilities of the medium, the students have to acquire mastery of the camera and the critical fundamentals.

Given the increased interest among students, the Department of English and Media Studies, in collaboration with the Literary, Arts, and Cultural Clubs and IQAC, is hosting a workshop on the basics of photography. The workshop is planned to be conducted in the last week of October, preferably on the 28, 29, and 31st of October. Mr. Jackson Arattukulam, a Retired senior news photographer of Malayala Manorama Daily has been invited to inaugurate the workshop. College principal Dr. Suresh S will preside over the inaugural session. College IQAC convener Prof. Shobha P.K, Head of the Department, Dr. Athira Sasidharan, Ms. Lavanya M, Mr. Shabas Asharaf, Ms. Athira A, and Ms. Swathi lakshmi will deliver felicitation. The workshop coordinator, Mr. Jishnu Nampoothiri P.J, will explain the objectives of the workshop.

Professional photographers who also have sound academic knowledge about the medium will lead the practical sessions in the workshop. Ms. Rejitha K, a well-known fashion photographer, Mr. Manu B, News photographer, Madhyamam Daily and Mr. Mahesh Mohan, News photographer, Kerala kaumudi daily have been invited to conduct the workshop. The three-day workshop fully focuses on practical training for the students in various aspects of photography.

The objective of this workshop is to pursue basic knowledge of photographic processes, including the aesthetics and technical aspects. The recognition of strong image composition, technical operation, content, and the essential knowledge for the completion of a final image portfolio will also serve as primary objectives. Individual creativity and precise craftsmanship will be emphasized.

Eligibility: Students from any stream, and pursuing undergraduate or postgraduate course

Learning objectives

After the successful completion of the course, students should be able to:

- Use a professional Camera
- Learn to gain control of exposure;
- Understand fundamentals of composition; and
- Take pictures on various lighting conditions

Workshop Duration: Three Days

The Workshop includes six practical sessions on various topics over the three days

- Session 1: Introduction to DSLR and understand the dials and controls
- Session 2: Basics of frame composition
- Session 3: Use of different kinds of lens
- Session 4: Portraits and landscapes
- Session 5: Focusing and the use of focal point
- Session 6: Setting the right exposure

Expected outcomes of the program

- Get the students acquainted with the professional Camera
- Equip the students to frame a good frame
- Prepare the students to click at right exposures in different lighting conditions
- Develop the creative skills in photography

Literature and Materials

- Basic Photography. M. Langford (Focal Press, London, 1986).
- Life Library of Photography 'The Camera' by the Editors of Time-Life Books.
- Complete Digital Photography by Ben Long.
- Understanding Exposure, 3rd Edition: How to Shoot Great Photographs with Any Camera by Bryan Peterson.
- The Photographer's Eye: Composition and Design for better Digital Photos by Michael Freeman
- The Photographer's Mind: Creative Thinking for Better Digital Photos by Michael Freeman

REPORT AND OUTCOME OF THE WORKSHOP

The Department of English and Media Studies, in collaboration with the Literary, Arts, and Cultural Clubs and IQAC, conducted a three day workshop on the basics of photography on 28, 29 & 31st of October 2022. Mr. Jackson Arattukulam, a Retired senior news photographer of Malayala Manorama Daily and former president of the Alappuzha press club inaugurated the workshop on Thursday 28th October 2022 at college Auditorium. College principal Prof. Dr. Suresh S presided over the inaugural session. Ms.Lavanya M,

Assistant professor, English, welcomed the dignitaries. College IQAC convener Prof. Shobha P.K, delivered felicitation speech on the occasion. The workshop coordinator, Mr. Jishnu Nampoothiri P.J, explained the objectives and introduced the trainers of the workshop. Mr.Shabas Asharaf, faculty, Media studies gave the vote of thanks.

Ms. Rejitha K, a well-known fashion photographer, Mr. Manu B, News photographer, Madhyamam Daily and Mr. Mahesh Mohan, News photographer, Kerala Kaumudi daily were lead the six sessions of the three day workshop. A total of 50 students were enrolled for the workshop but only 45 students were attended the workshop. The students were divided into four groups and each of the trainers were engaged with them in various sessions.

On the first day, after the inaugural session, the students got detailed practical training on how to use a DSLR camera. It was a basic session focused on various gears, dials, and switches of the camera. After this brief first session, the students were taken out of the classrooms and practical training on the basic composition rules for a photographic frame was explained to the students with demonstrations. The trainers explained the basic concepts and encourage the students to click pictures based on these concepts.

The team visited the 'Karumadi', a tourist place with scenic beauty in 'Kuttanadu' near Alappuzha on the second day. The faculty members of the college, Mr. Jishnu Nampoothiri P J, Mr. Shabas Asharaf, and Ms. Athira A accompanied the students along with the trainers. Two practical sessions of three hours each were completed on the day. At first, the students were got trained in the various aspects of exposure settings. The students got familiar with the 'exposure triangle and were able to click pictures at perfect exposure settings. In the afternoon session, the students were introduced to various types of lenses and their uses.

On the last day, the emphasis was given to get the students familiar with the concepts of 'focal points' and 'depth of field' at the first session. On the afternoon session, some advanced concepts regarding the effective use of natural light sources for a picture and some common practices in composition were introduced to the students. After each session on the three days, the trainers examined the pictures captured by the students and gave their suggestions and corrections. After three days of intense training, every student has got the confidence to use a professional camera and has been able to click better pictures.

MAJOR MILESTONE AND OUTCOME OF THE WORKSHOP

- A fundamental knowledge of still photography has been acquired by every student.
- Students were equipped to click a perfect picture in every situation, by setting the exposure manually
- The frame composition became better and students were trained to follow the common practices and techniques in the field
- The students were able to express their creative ideas through photography
- Students with exceptional talent and passion in photography were identified

Proceedings of the Principal Sree Ayyappa College, Eramallikkara
